Internal Revenue Service (IRS) Experience

Mr. Perlmutter is an experienced valuation expert with an extensive 27-year career at the Internal Revenue Service as an Estate Tax Attorney, Revenue Agent and Valuation Specialist. His IRS career provided invaluable exposure to complex valuation issues involving a multitude of different assets.

At the IRS, Mr. Perlmutter reviewed, critiqued and challenged thousands of valuation appraisals, prepared by local and national firms, resulting in a unique knowledge of each firm's abilities and credibility. Mr. Perlmutter was involved in audits of some of the wealthiest and highest profile taxpayers. He assisted in sending significant cases to IRS Appeals and to Tax Court. Mr. Perlmutter's background and focus is on intellectual property valuation, business valuation and discounting issues.

Private Practice Experience

After shifting into private practice in 2018, Mr. Perlmutter founded two valuation related firms, Perlmutter Law and Valuation, Inc. (PLVI) and Valuation and Litigation Group (VLG). PLVI is a valuation consulting firm, while VLG consists of a team of experienced professionals who specialize in business and intellectual property valuations as well as royalty compliance audits. The valuations include various businesses and partial interests therein, music catalogs, music publishing companies, name and likeness rights, actor residuals, a Hollywood movie studio and other assets and businesses.

Mr. Perlmutter has helped clients save millions of dollars in taxes by spotting costly appraisal errors, inconsistencies and omissions in methodology, assumptions and applications that resulted in the overvaluing of the subject assets. Mr. Perlmutter also knows how to minimize potential IRS audit red flags. Mr. Perlmutter provides guidance and advise through the valuation process, whether for tax, litigation, divorce, buy/sell, internal or other purposes. Mr. Perlmutter is a frequent presenter in front of professional audiences as well as a part-time instructor at UCLA Extension.

Professional Focus

- Valuation appraisal report preparation
- Valuation consultations and appraisal reviews

Types of Assets Valued

- Business Entities (operating, holding)
- Intellectual Property Assets (copyrights, trademarks, patents, right of publicity)
- Partial/fractional Interests in Business, Real Property and Intellectual property assets

Professional Credentials

- 27-year career with the IRS as Estate Tax Attorney, Revenue Agent, Valuation Specialist
- Licenses: Active status California attorney and CPA
- Designations: Certified Valuation Analyst (CVA) and Accredited in Business Appraisal Review (ABAR) from the National Association of Certified Valuators and Analysts

Professional Experience

2019 – Current: Partner, Valuation and Litigation Group

- Contributing member of a team of experienced professionals who specialize in business and intellectual property valuations as well as royalty compliance audits. The valuations include various businesses and partial interests therein, music catalogs, music publishing companies, name and likeness rights, actor residuals, a Hollywood movie studio and other assets and businesses.

2018 – Current: Owner, Perlmutter Law and Valuation, Inc.

- Provide legal, tax and valuation consulting to large estates and high profile deceased musicians, actors and other entertainment industry related individuals. Assets consist of intellectual property (music copyright royalties, name and likeness rights and other IP), business interests, commercial real estate, residential real estate and personal property
- Identify appraisal report errors, omissions and inconsistencies along with incorrect assumptions that may result in significant overvaluation of the subject assets
- Prepared valuation appraisals of partnerships and of partial interests (with discounts) in the partnerships which held income real property
- Served as expert witness for valuation related issues

1998 – 2018: Senior Estate Tax Attorney for Internal Revenue Service

- Examined some of the largest and most complex estate and gift tax returns in the country, which included many well know celebrities and public figures
- Valued diverse types of asset categories, including intellectual property rights (copyrights, trademarks, celebrity name and likeness), real property, businesses (both operational and passive holding a portfolio investment assets), partial interests in businesses (valuation discounts when appropriate), fractional interests in real estate and other miscellaneous assets (promissory notes)
- Unique combination of professional certification as a California Attorney, California CPA, Certified Valuation Analyst (NACVA) and Accredited in Business Appraisal Review (IBA), plus 27 years of Internal Revenue Service experience
- Leadership experience as on-the-job Instructor, classroom Instructor, presenter at IRS live nationwide Continuing Professional Education courses and participation in group audits and task forces
- Lead auditor on a number of tax cases concerning significant Intellectual Property valuation issues with potential national significance
- Assisted IRS litigation counsel on a significant tax court case with multiple legal and valuation issues
- Wrote, presented and instructed tax and valuation theory to both IRS and non-IRS audiences, including the AICPA and ASA. Participated in determining IRS policy relating to S-Corporation tax affecting valuation
- Negotiated agreed audit and valuation related resolutions with top tax professionals. Engaged valuation experts in complex high level valuation theory discussions
- Involved in high profile cases, such as *Estate of Michael J. Jackson v. Commissioner*, T.C. Memo 2021-48 (May 3, 2021) and *Estate of Whitney E. Houston v. Commissioner*, Docket #012098-16

1991–1998: Revenue Agent for Internal Revenue Service

- Conducted independent examinations as well as related investigations of complex tax returns filed by large businesses, corporations and partnerships
- Applied tax and case law in resolving audit issues with highly experienced tax professionals
- Recognized indicators of fraudulent activity, developed fraud cases and made appropriate referrals
